H. BASCOM THOMAS, CANDIDATE FOR CONGRESS

Was elected to the senate in 1908. Was expelled from the senate for charging graft on the part of the legislature. In twenty days he was re-elected by his people by the largest majority ever given any senator in Texas, carrying every county in the district and every box but four. In 1910 he was elected Lieut. Governor, but counted out, because of his threat to drive out the lobbyists and grafters from the State capitol. In his race for this office he carried every county in this congressional district, receiving 7,056 more votes than the next man to him. In his last two races for office he did not lose a voting box in his own county.

CAN YOU ASK MORE?

Your Money Back for the Asking. You Promise Nothing.

We are so confident that we can furnish relief for indigestion and dyspepsia, that we promise to supply the medicine free of cost to every one who uses it according to directions who is not perfectly satisfied with the results. We exact no promises and put no one under any obligation whatever. Nothing could be fairer? We are located right here where you live, and our reputation should be sufficient assurance of the genuineness of our offer.

We want everyone who is troubled with indigestion or dyspepsia in any form to come to our store and buy a box of Rexall Dyspepsia Tablets. Take them home and give them a reasonable trial, according to directions. If they don't please you tell us and we will quickly return your money. They have a mild but positive action upon the organs with which they come in contact, apparently acting as a regulative tonic upon the relaxed muscular coat of the bowels, thus overcoming weakness and aiding to restore the bowels to more vigorous and healthy activity. Three sizes: 25c, 50c and \$1.00. Remember, you can obtain Rexall Remedies only at our store, the Rexall store—at W J Sedberry's.

Obituary.

In memory of Jasper N. Jackson, born in Barber county, Ala., February 9th, 1849, moved to Brandon, Mississippi, while yet a small boy, where he lived, and was educated in the schools, until after the war—was too young to go into the army. In 1872 he moved to Jefferson, Texas, where he spent the rest of his life. At the age of 26 he married Miss Alice, the daughter of Judge B. W. Gray of Jefferson, who still survives him. He leaves also one daughter, Mrs. W. A. Richardson, who resides with her husband and two sons at Mineral Wells, Texas, and a brother, J. O. Jackson, two sisters and other relatives at Jefferson. He died in Jefferson Nov. 10th, 1911. The funeral we held the day after his death, November 12th, at 10:30 a. m. attended by a large concourse of relatives and friends at Oakwood cemetery. The Rev. D. Griffin Gunn, D. D. the Rector of Christ Church, (Episcopal) Jefferson read the services, assisted by the Presbyterian choir, and also preached his funeral sermon. He made little pretensions to religion until the last few months of his sickness, when he told his life long friend and advisor, Rev. Dr. Gunn, that he prayed constantly and he hoped that God would save him, it was all that he could do. Dr. Gunn gave him his own prayer book, and he said it was the most wonderful book he ever read. When he was too sick to read it he would have his wife to read it to him. He was a member of the Old School Presbyterian church, and died in that faith. We feel sure that He, "who never despised the sighing of a contrite heart, nor the desire of such as are sorrowful" heard his prayers. He was peculiar in his way, but those who knew him best, loved him most.

"Grant him O Lord, eternal rest, and let perpetual Light, shine upon him." D. G. G.

Christmas Cheer and Charity SANTA CLAUS' PROCLAMATION.

During the month of December, 1911, every piece of mail must carry a RED CROSS CHRISTMAS SEAL on the back of the envelope. Every bill, statement, receipt and check must carry a seal on its face.

RED CROSS CHRISTMAS SEALS can be purchased for one cent each from every live, progressive, charitable inclined retail merchant in Texas. The money received from the sale of seals will be used to establish a hospital-home for children crippled by tuberculosis of the bones, and for other Anti-Tuberculosis work. Eighteen Above Zero.

The week has been the coldest of the winter. A light rain Monday morning was followed by a high north gale that raged all that night and brought almost zero weather. Thursday it was eighteen above zero, the coldest for the winter, with plenty of ice. The wind veered to the south by Friday and it is hoped that milder weather will follow.

TIMELY WARNING TO CALOMEL USERS

Calomel is a Form of Mercury and if It Stays in the Human System Its Effect is Terrible. Ask Your Doctor.

Any physician will tell you that mercury, if it remains in the body, will soften and rot the bones, a disease doctors call necrosis of the bones. Calomel is a form of mercury, and to keep clear of danger it's a safe plan to take no calomel at all, especially as there is a better remedy.

Both children and grown people will find a perfect substitute for calomel in Dodson's Liver Tone, a pleasant, vegetable tonic that induces the liver to act and which never has any bad after-effects. In fact Dodson's Liver Tone will do every thing that calomel does without any of the dangers of calomel. A large bottle costs only fifty cents, and the Rexall Drug Store will refund your money if you are not satisfied.
